

DAOU

CABERNET SAUVIGNON

2021

DISCOVERY COLLECTION

THE WINE | The 2021 DAOU Discovery Cabernet Sauvignon presents a deep ruby-purple color, foreshadowing intense aromas of cherry and blackberry jam complemented by dark chocolate, tobacco leaf and desert sage. The nose also reveals secondary nuances of wet gravel, sandalwood and plum pudding with subtle notes of fennel, black olive and eucalyptus. On the palate, a swirl of black raspberry, pomegranate, cherry preserve and Zante currant melds seamlessly with crushed herbs, fig and cranberry. An impeccably balanced finish flows effortlessly from the juicy mid palate, leaving lovely notes of boysenberry, rhubarb, graphite and dried thyme.

THE VINTAGE | DAOU Discovery Collection wines represent our passion for approachable luxury. Winemaker Daniel Daou has cultivated deep connections with top Paso Robles growers for numerous vintages, allowing him to maintain absolute quality and consistency. The 2021 growing season was preceded by a dry winter, with only one large storm system that provided considerable rainfall in February. A period of light rain in July also replenished the soil with much-needed moisture. While the summer season was marked by periodic heat waves, the weather cooled down by mid August and remained that way through harvest. This cooling trend allowed the fruit to enjoy exceptional hang time. In the end, low yields and small berries provided approachable wines with excellent flavor concentration.

DAOU FAMILY ESTATES | Family owned and operated, DAOU Family Estates is committed to producing collectible, world-class wines to rival the most respected appellations in the world. Situated on a 212-acre hilltop estate in the Adelaida District of Paso Robles, our remarkable geology, favorable microclimate, and high elevation were once described by renowned California winemaker André Tchelistcheff as “a jewel of ecological elements.” As stewards of this beautiful terroir, DAOU’s goal is to make unique fine wines that honestly and accurately reflect the potential of the Estate and to craft Bordeaux style wines that combine Old World tradition with New World techniques.
